LITTLE TOKYO

Brand Identity

Little Tokyo is a contemporary ramen brand inspired by the vibrant streets, bold visual culture, and lively food scene of Japan. Created for Jaipur's young, urban audience, the brand brings an exciting and approachable take on Japanese comfort food, making ramen an experience that goes beyond just a meal.

With a playful personality, bold Japanese street-inspired visuals, and an affordable offering, Little Tokyo aims to make every bowl feel like a little escape into the world of Japanese street food. The brand combines flavour, culture, and character to create a memorable experience, whether customers choose to dine in or enjoy their favourite ramen at home.

BAD HABIT. GOOD RAMEN.

Little Tokyo is a fun, edgy ramen brand bringing
Japanese street culture to every bowl.
